## OUR NEW PATIENT CARE PAVILION IS OPEN!

A new chapter has begun at Orange Coast Memorial with the opening of our new Patient Care Pavilion.

The result of years of planning, design and construction, the Pavilion not only offers convenient access to major programs and services such as oncology, cardiology, imaging and outpatient surgery, it also centralizes the offices of multiple physician specialists all under one roof.

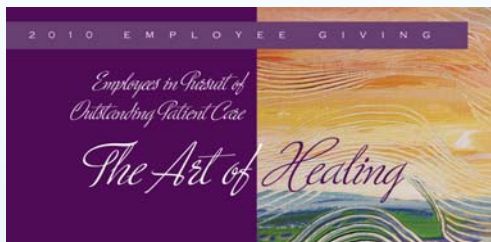

Philanthropic support from the community has helped to make all of this possible. Thanks to this generosity, we are redefining the way patient care is delivered.

# ORANGE COAST MEMORIAL'S EMPLOYEE GIVING CAMPAIGN

We would like to thank our 2009 employee donors who collectively gave \$110,000 last year, through either an outright gift or payroll deduction pledge. Thank you for all that you do for Orange Coast Memorial. Your contributions helped purchase the newest member of the Orange Coast team, iStan our human patient simulator.

# ORANGE COAST MEMORIAL LEGACY PLANNING 2010

...RESOLUTIONS FOR UNCERTAIN TIMES

by Dan Parr, ChFC, CLU, AFP

If there was ever a time for reviewing your financial and estate plans, this is it.

### Consider the following:

1. Last year, financial institutions and markets were hit with the "great recession"
2. This year our tax system is in transition...
  - the Federal Estate Tax has expired for the moment, resulting in new capital gains tax for heirs
  - the Federal Income Tax will increase for many due to rising deficits
  - rising State shortfalls are causing service cutbacks, new fees and taxes
3. With volatile equity markets and real estate values impacted negatively, reassessment of personal net worth is essential to intelligent planning.
4. Secure fixed income instrument yields fell to new lows with seniors trying to live on income yields of 1% to 3% on Treasuries and Bank CDs.
5. Oh yes, and healthcare reimbursement is facing change in Congress

Resolve to take some time as the new year begins.

Gather your statements and estate planning documents and take a moment to reassess your plans.

Visit with your trusted advisors.

If I can offer an objective, second opinion based on 40 years of experience, I'm available any Tuesday morning on a complimentary basis by calling Teri Brown at (714) 378-7397

### With A Little Help From Some Friends

Over the next year or two, we will be bringing you some timely seminars from local financial and estate planning professionals.

### SAVE THE DATE

## A MESSAGE FROM OUR DIRECTOR

Dear Friends,

As we look to the year ahead, it is already shaping-up to be a busy and exciting one for all of us here at Orange Coast Memorial. Thanks to the generosity of friends like you, we are able to continually improve and expand

the programs and services that we offer to the community. Some of our 2010 highlights include:

- The opening of our new hybrid cardiovascular interventional suite, the first of its kind in Orange County, which combines a catheterization lab for diagnostic and interventional procedures with a full, open-heart surgical suite
- The opening of our Outpatient Surgery and GI Center in the Patient Care Pavilion featuring four, state-of-the-art surgical suites and three gastroenterology procedure suites
- The launch of a paperless, electronic medical records system which will provide physicians and our medical

staff with immediate access to important patient information, allowing for improved coordination of care

- Completion of a sky bridge connecting the Patient Care Pavilion with our main inpatient building, creating a more convenient way to navigate across our campus

We look forward to adding these enhancements, and more, as we strive to provide the best possible care to you and your family.

Sincerely,

Paul Stimson  
Foundation Director
