# **Visit Check-In and Accessing Results**

We want you to have the best experience with the MemorialCare Breast Center during your mammogram appointment. Our quick and simple pre-visit check-in process was created to help ease your mind for your upcoming appointment.

We've partnered with MagView to give you the opportunity to complete your medical history survey ahead of time and access your results online. Once pre-visit check-in is complete, you be able to complete your medical history survey.

#### This user-friendly process offers benefits that include:

- Faster check-in upon arrival
- More time-efficient appointment durations

#### **Completing Your Medical History Survey**

Pre-visit check-in becomes available 14 days prior to your appointment. If you opted to receive reminder messages, you will receive an email or text to complete your pre-visit check-in. Select the link within this message to be directed to your myChart. Once you login, select the pre-visit check-in button to complete.

## **Desktop Instructions:**

Step 1: After completing your pre-visit check-in, select "Start survey here" under "Mammogram Appointments Only." You will be redirected to the Mammography Portal.
