

Miller Children's Hospital Long Beach Auxiliary

2801 Atlantic Avenue, Long Beach, California 90806

FOUNDED APRIL 5, 1946

September 2026

Dear Friends:

This year, the Miller Children's Hospital Long Beach Auxiliary, a nonprofit 501(c)(3), proudly celebrates 80 years of heart, service, and community support. For eight decades, we have partnered with Miller Children's Hospital Long Beach to help provide extraordinary care for infants and children throughout the greater Long Beach community and beyond.

This year, we are proud to **Lift Little Lives** and launch a campaign to fund a **\$350,000 Flight Isolette (Neonatal Transport Incubator)**—a mobile neonatal intensive care unit that brings lifesaving care to our tiniest and most vulnerable patients during transport. When every moment matters, this specialized technology provides the warmth, monitoring, ventilation, and advanced care premature and critically ill newborns need to begin their journey toward healing and hope.

We are delighted to invite you to support our Annual Designer Fashion Show Gala on **February 13, 2027**, at the Hyatt Regency Long Beach. Year after year, our community has come together through this signature event, raising more than \$18 million to provide life-changing care for children. **We hope you'll join us in continuing this extraordinary legacy of care by donating an item to our Live or Silent Auction. Suggested donations include:**

- Dining certificates
- Hotel getaways or unique adventures
- Tickets to sporting events, concerts, or shows
- Spa, golf or wellness experiences
- Specialty merchandise or curated gift baskets

We are honored to recognize your generosity in our event program. Together, we can make a lasting difference for children and families when they need it most.

Sincerely,

Lisa Maloney
