

Miller Children's Hospital Long Beach Auxiliary

2801 Atlantic Avenue, Long Beach, California 90806

FOUNDED APRIL 5, 1946

September 2026

Dear Friends:

For 80 remarkable years, the Miller Children's Hospital Long Beach Auxiliary, a nonprofit 501(c)(3) organization, has been dedicated to helping children receive the care they need to heal, grow, and thrive. Through our partnership with Miller Children's Hospital Long Beach, we have contributed more than **\$18 million** to support programs, services, and advancements that have transformed pediatric care in our community.

This year, we are proud to **Lift Little Lives** by launching a campaign to fund a **\$350,000 Flight Isolette (Neonatal Transport Incubator)**—a mobile neonatal intensive care unit that delivers lifesaving care to our tiniest and most vulnerable patients during critical medical air transport. For these fragile newborns, every moment matters. The Flight Isolette provides a safe, NICU-level environment throughout transport, maintaining essential warmth, monitoring, ventilation, and other life-sustaining support. This specialized equipment allows neonatal teams to deliver uninterrupted, advanced care, giving critically ill newborns the best possible chance for a safe journey and a healthier future.

On **February 13, 2027**, we will host our Annual Designer Fashion Show Gala at the Hyatt Regency Long Beach. Proceeds from this signature event will support our commitment to bring a Flight Isolette (Neonatal Transport Incubator) to Miller Children's Hospital—an investment that will strengthen lifesaving neonatal care for children across our region.

We invite you to become a sponsor and join us in making this vital initiative possible. Sponsorship and underwriting opportunities are available at various levels, ranging from \$300 to \$10,000, and we welcome the opportunity to create a partnership aligned with your philanthropic goals.

Thank you for your thoughtful consideration. Together, we can make this year's event—and its lifesaving impact—our most successful yet.

Sincerely,

Lisa Maloney
