Dale Vital : The Heart of Giving

"I have selflessly given to the Orange Coast Foundation because it simply warms my heart and brings me joy. My husband and I have instilled this philosophy while raising our daughters placing an emphasis that it is better to give than to receive. I have found that it is a practice that works in all settings, not just family. The act of giving to Orange Coast has been effortless, and is something that has not required

public acknowledgement. Every day I witness the many ways

that generous gifts have saved lives, enhanced lives and changed lives for the better. In fact, my willingness to share this message is rooted in my need to inspire others to carry on this important legacy as I retire from this wonderful organization after 28 years of service."

"The act of giving is essential at any level. You can start small and exponentially grow at a rate that aligns with your heart's level of engagement and commitment. As I look at ending my OCMMC journey, I anticipate a horizon of hearing about the substantial growth from a dynamic and dedicated team of staff, leadership, volunteers, physicians and community donors who embrace and have mastered the heart of giving."

The Foundation's recent Employee Giving Campaign resulted in a 10 percent increase in the number of employees who generously made either an outright gift or payroll deduction pledge in support of Orange Coast Memorial. This brings the total percentage of employees who are giving back to support our mission to 44 percent!

In conjunction with this year's campaign, the Foundation held a pin presentation ceremony, commemorating the anniversaries of those employees who have now reached milestone years of giving at the 5, 10, and 15-year marks.

Director's Message

In 2005, in response to our first inaugural Employee Giving Campaign, seven percent of Orange Coast Memorial employees made either an outright gift or payroll deduction pledge for the year, raising over \$20,000.

Last year, 40 percent of our employees participated in our campaign, contributing over \$135,000. This year, we reached 44 percent! This is a testament to not only the generosity of our staff, but also to their commitment to our mission of providing our patients with the best possible care.

Many of our employees have been longtime donors. In this issue, we are pleased to recognize the milestone anniversaries of 87 employees whose multi-year support of Orange Coast Memorial has now reached the 5, 10 and 15-year marks.

Our grateful thanks go out to this year's honorees.

With deep appreciation,

Paul Stimson

Director, Orange Coast Memorial Foundation

PLANNED GIVING BRIEF

**THE IRA CHARITABLE
ROLLOVER IS
PERMANENT!**

**HOW YOU
CAN BENEFIT**

If you are 70 ½ or older, you can make a gift from your IRA account to help support the work of Orange Coast Memorial and benefit. Gifts made from your IRA (up to \$100,000 per year) are not reportable as taxable income. They also qualify for your required minimum distribution (RMD), which can lower your taxes.

To learn more about the benefits of making an IRA charitable rollover gift to Orange Coast Memorial, please contact Paul Stimson at pstimson@memorialcare.org or (714) 378-7478.

 **GIVE NOW**

Why I Give

Jamie Vincent, BSN, RN,
CMSRN, Medical Floor,
Clinical Nurse Supervisor,
Orange Coast Memorial

I give because I am grateful to have the opportunity to support the Orange Coast Memorial Foundation as a way to give back and contribute to our mission of helping and supporting our patients and families. My contribution allows me to go beyond providing for our patients and families as a Registered Nurse by strengthening our provision of programs and services available to meet the needs of our patients, families, neighbors and co-workers."
