

Child and Adolescent Immunization Schedule

MemorialCare follows trusted clinical guidelines from the American Academy of Pediatrics (AAP) to recommend vaccines that help protect children from preventable diseases.

Use this schedule to stay up to date with your child's immunizations. For information about the MemorialCare Medical Group Vaccine Policy, please talk to your pediatrician or visit [memorialcare.org/immunize](https://www.memorialcare.org/immunize).

Age	RSV	Hep. B	DTaP + IPV	Hib	PCV	Rotavirus (oral)	COVID	Flu	MMR	VZV	Hep. A	DTaP	MCV	Tdap	HPV
Newborn	✗	✗													
2 months		✗ (Combined)		✗	✗	✗									
4 months		✗ (Combined)		✗	✗	✗									
6 months		✗ (Combined)			✗		✗ (2 or 3 doses)	✗ (Seasonal)							
12 months									✗	✗	✗				
15 months				✗	✗							✗			
18 months											✗				
4 years			✗						✗ (Combined)						
11 years													✗	✗	✗ (2 doses)
16 years													✗		

- **DTaP:** Diphtheria, tetanus and pertussis
