Schedule a 24/7 On-Demand TytoCare Visit

Step 1: Complete required activation listed on the Quick Start Guide.

Step 2: Log into your MemorialCare myChart account. From the drop-down menu, select 24/7 On-Demand Video Visit.

Step 3: You must be in the state of California at the time of your visit. Select Confirm.

Step 4: Select Age 18+ TytoCare Urgent Care Visit or Age 0-17 TytoCare Urgent Care Visit option.

Step 5: Schedule with our 24/7 urgent care provider or a primary care provider.

Step 6: Type in your reason for the visit and tap the Schedule an appointment button.

Step 7: Begin Pre-Visit Check-In process by clicking on the eCheck-In icon.

Pre-Visit Check-In is a required step to start a TytoCare visit.

Step 8: A MemorialCare team member from the On-Demand Virtual Urgent Care team will reach out to you via text or telephone to confirm your configuration.

Step 9: When it is time to join your visit, you can tap on the Begin Visit button on your home screen. You will then enter the waiting room where your provider will meet you and guide you through the visit using your MemorialCare Virtual Exam Kit.

Step 10: At the conclusion of your visit, please remain on the TytoCare visit page and answer the survey questions.
